FBLA Dance Supervision: The dance will be located in Palace D/E. The walls should NOT be pulled on the west side of D/E.

The doors to Palace E are the entrance to the dance—on both the south and east sides.

All doors to the Palace Ballroom need to be monitored because the doors are not locked during the dance. Monitors will also be inside Palace E during the dance.

The numbered locations for the dance are shown above within the room, e.g., Location 1 is the south door of Palace G.
