

Objective Testing Instructions - Students

Student Onsite Instructions:

1. Enter through the main entrance (south doors) at Younes Conference Center – South
2. Check in at the registration desk (follow the signs).
 - a. Check-in will need to happen for each test
 - b. You will need your name badge for testing!
 - c. High School Students will need a photo ID.
 - Photo ID not required for Middle School.
3. Event staff/advisers will notify you when you may enter the testing rooms.
4. Enter quietly, staff will direct you to an open seat.
5. Set up computer and begin testing.
6. Once you are finished with your test, you will show the final test submitted screen to the facilitator by the exit door.

Students should arrive at least 15 minutes prior to the assigned testing time.

To avoid conflicts with presentation or testing events, we have added a standby option. You will be able to join the standby line during the times listed below if you are not able to make it during the assigned time **due to competitive event conflicts only**. You must be checked in by the close of the standby window of time.

All students will be given the full-time. With 30 minutes left in the scheduled day, no additional students will be allowed in for testing. Check in will close 30 minutes after the last test is scheduled to begin.

As chairs become available, students will be let in to take their test.

Please remember to stay quiet in the holding area while waiting and enter the testing rooms quietly as other students will be testing.

Students will need to bring with them a charged device (laptop or tablet) for testing.

No charging stations will be available inside the testing rooms.

There are outlets in the hallways.
