Housing Policy

Housing Requirement

FBLA requires full conference registration from student members, advisers, and school-approved chaperones. Student members who are not staying in an official FBLA hotel will not be considered full conference registrants and therefore not permitted to compete. The availability of a preferred room type will not provide an exemption from this policy.

To accommodate FBLA members and for the safety of all attendees, every guest staying within the FBLA conference block must be registered for the conference.

The candidate guidelines and elections process are overseen by an Elections Committee that is appointed by the Board of Directors. The committee consists of Board members, state advisers, local advisers, alumni, and the high school national parliamentarian.

The role of the Elections Committee is to establish and provide oversight on policies and procedures that support the annual election of National Officers by division. In addition, committee members support the National Center staff in conducting the elections by reviewing applications, establishing guidelines for campaign materials, and ensuring compliance with all policies and procedures by candidates, local chapters, and state affiliates.

Qualifications for National Office for Nebraska FBLA

Only active state officers or former state officers are eligible to hold national office from Nebraska FBLA. Only those applicants who are present at the National Leadership Conference and officially certified by the Officer Screening Committee shall be eligible for nomination. To be considered for an office in FBLA, a candidate shall:

- Have at least one full year remaining in their business program.
- Hold or have held an office in their local or state chapter.
- Have a grade point average (GPA) of at least 3.0 on a 4.0 scale.
- Be recommended by the chapter advisers and endorsed by their local and state chapter

In reference to bylaws statements on the eligibility item of a candidate holding or having held an elective office at the state, regional, or local level, the official interpretation is that an appointed officer position such as an appointed parliamentarian would not meet the eligibility standard; however, a member appointed (due to a resignation, lack of applicants during the election period, etc.) to a position that is an “elective” one would meet the eligibility standard. Also, the elective office must have been in the same division of the organization (High School or Collegiate) for which the member is applying.

National Conference Policies

FBLA Code of Conduct

The conduct of FBLA members, advisers, and representatives should reflect positively on the organization and themselves, upholding the reputation of the organization. Listed below are rules of conduct for FBLA members, advisers, representatives, and attendees of events.

At all times, FBLA members, advisers, and representatives are expected to:

1. Behave in a courteous and respectful manner, avoiding language or actions that might bring discredit upon themselves, their school, other attendees, advisers, or FBLA, including speech and conduct that creates an intimidating, hostile, or offensive environment.
2. Promote FBLA as a positive experience and therefore act as a positive role model for students in dress, voice, attitude, actions, and demeanor.
3. Obey all local, state, and federal laws.

While participating in an FBLA event, attendees are expected to:

1. Abide by all FBLA rules. Members must keep their advisers informed of their activities and whereabouts. Accidents, injuries, and illnesses must be reported to the local adviser(s) or state leader(s) immediately.
2. Avoid conduct not conducive to an educational conference. Such conduct includes, but is not limited to, actions disrupting the conference's professional atmosphere, association with non-conference individuals, and activities that endanger self or others.
3. Comply with the rules of all event facilities. Remember that other guests have rights as well. Noise should be kept at a respectful volume. Individuals or chapters will be responsible for repairing or replacing any property or furniture that is damaged. Facilities have the right to ask guests to leave.
4. Stay in the hotel room to which they are assigned. FBLA members must have permission from their local adviser(s) or state leader(s) to be in hotel rooms to which they are not assigned.
5. Follow the FBLA Dress Code during all conference activities, including general sessions, competitive events, exhibits, regional meetings, workshops, and other activities unless otherwise indicated.
6. Avoid smoking, use of vaping/e-cigarette devices, alcoholic beverages, cannabis, and controlled or illegal substances of any form. These items must not be used or possessed at any time, or under any circumstances. Use or possession of such substances may subject the attendee to criminal prosecution. This policy does not apply to medications legally prescribed for an individual attendee.
7. Not possess or use weapons of any kind at an FBLA-related event.
8. Local advisers and state leaders are responsible for the supervision of attendee conduct. They should refer to the Chaperone Policy for additional responsibilities.

- Attendees may be remanded to the custody of their adviser(s)/chaperone(s) and banned from all conference activities and facilities. FBLA will require that the adviser(s)/chaperone(s) notify a student attendee's parents/guardians.

Competitive Events Policy & Procedures Manual

The [Competitive Events Policy & Procedures Manual](#) will serve as a guide to address competitive event questions that arise throughout the membership year. This document and the policies described herein shall be overseen and carried out by the National FBLA Competitive Events Committee.

Honor Code

The Future Business Leaders of America (FBLA) Honor Code embodies principles of integrity, trust, respect, and responsibility essential for fostering excellence and ethical leadership in a community devoted to learning.

Every member, local adviser, and state leader must maintain and enforce these principles. To ensure a high standard across FBLA, every competitor registered in any competitive event must agree and certify to comply with the following guidelines:

- Compliance: Competitors are required to read and adhere to the FBLA Competitive Event Guidelines relevant to their event.
- Original Work: Competitors must ensure that all content submitted for FBLA competitive events is their own work or that of their team members. Proper citation of sources is mandatory.
- Use of Materials: Only materials explicitly allowed by FBLA Competitive Event Guidelines may be utilized.
- Independence: No external assistance beyond what is explicitly permitted in FBLA event instructions or guidelines is allowed.
- Cell Phones, Smart Devices, & Headphones: Unless a pre-approved accommodation is in place, all cell phones, smart devices (such as watches and glasses), and headphones must be turned off and put away before testing or role play competition begins. Any report of the devices being visible or in use will be considered a violation of the Honor Code.
- Data Storage: Competitors are prohibited from saving any FBLA competitive event or test materials provided by the FBLA National Center or a state organization to any storage device or cloud storage.
- Originality: Competitive entries must be entirely original and not previously entered in FBLA national competition by the competitor or others. (It is the intent to preclude local chapters from rewriting the same event, and it is recognized that chapters may utilize the same or similar activities on an annual basis in some events. In this case, chapters may use these activities, ensuring that the project or portions of projects are not rewritten and therefore plagiarized.)
- Honest Participation: Competitors must engage in all FBLA competitive events with honesty and integrity.

2025 NLC REGISTRATION GUIDE

Anaheim, California from June 29 – July 2, 2025

In the event of an alleged Honor Code violation, the National Competitive Events Committee for the designated FBLA division will investigate. If a violation is confirmed, penalty points, including disqualification, may be imposed at the discretion of the National Competitive Events Committee. Additionally, information regarding the violation may be forwarded to the appropriate state FBLA organization for future action regarding academic integrity.

By registering for the National Leadership Conference, participants acknowledge their understanding of the Honor Code and the consequences of violating it.

Chaperone Policy

Future Business Leaders of America, Inc. (FBLA) has set forth its Chaperone Policy to align with National Association of Secondary School Principals (NASSP). Please be advised that your local school or school district may have specific rules that require a higher adult adviser/chaperone-to-student ratio. You should follow the rules of your school district if the requirements are more restrictive than those set forth by FBLA. If your school district or state does not have a chaperone policy or is less restrictive, you must follow the minimum FBLA Chaperone Policy outlined below.

Adviser/Chaperone Requirements

- All chapters attending national conferences are required to have a 15:1 ratio of students to advisers/chaperones for High School groups and a 12:1 ratio for Middle School groups.
- All advisers/chaperones must register for the conference, pay the required registration fee, and attend the conference for supervision of the student(s), or be in close proximity if they are an additional chaperone.
- Chaperones can be advisers, parents, or guardians, but they should be at least 21 years of age.
- This policy applies to Middle School and High School only, including graduated seniors who are completing the current program year.

Registration

All chapters must have at least one fully registered adult chaperone.

Conference Check-In

The school's adviser must be present at the conference check-in. Students will not be provided with conference materials without an adult chaperone present.

On-Site Expectations of Advisers/Chaperones

Advisers/Chaperones are assuming a 24-hour-a-day responsibility from the time they leave until they return. Therefore, advisers/chaperones should:

- Be attentive to the needs of the students and be the students' primary adult contact.
- Know the locations and whereabouts of each student assigned to them during the trip.
- Keep an accurate check of their students at all times during the conference; students should not be left unattended, including outside of the conference.
- Promote FBLA as a positive student experience and therefore act as a positive role model for students in dress, voice, attitude, actions, and demeanor.
- Follow the FBLA Dress Code themselves during all conference activities, including the Future Leaders Expo Hall, workshops, and opening/closing sessions.
- Ensure all students are checked in to their hotel room for the night at curfew and remain quiet and respectful of other hotel guests.

FBLA Dress Code

All conference attendees are expected to follow the FBLA Dress Code for all official conference activities. Attendees do not need to be in the dress code for evening social activities excluding General Sessions.

FBLA members and advisers should develop an awareness of one's appearance. The purpose of the dress code is to uphold the professional image of the association and its members and to prepare students for the business world.

During FBLA conferences, appropriate attire is required of all attendees and presenters.

Projecting a professional image is vital for business leaders to demonstrate respect for clients, colleagues, and others. This policy is to provide guidance for conference attendees—students, advisers, and guests. Professional business attire is required at all general sessions, competitive events, exhibits, regional meetings, workshops, and other activities unless otherwise indicated in conference materials.

Conference name badges are considered part of the dress code and must be worn at all conference functions. For safety reasons, do not wear conference badges outside of the conference area. The dress code is gender neutral.

Justification Letter Template

Feel free to use the template below to gain support from your school. Customize it to fit your chapter's information before sharing it with your administration.

Dear [SUPERVISOR NAME],

I am interested in bringing student members from [CHAPTER NAME] to Future Business Leaders of America, Inc.'s National Leadership Conference. I would like to get your approval to attend this event in Anaheim, CA from June 29-July 2, 2025. Registration is open from March 1-May 13, 2025.

FBLA's National Leadership Conference is the culminating experience for students who have spent their membership year immersed in leadership development, academic competitions, educational programs, and chapter engagement.

This conference is an opportunity for students to participate in motivational general sessions, train with professional leaders to further their business skills, expand their career plans through workshops, network with individuals from across the globe, explore the Expo Hall full of college admissions and military recruiters, and prove that they are the best in the nation amongst states and territories in their competitive event.

I am also excited to attend the professional development opportunities designed for CTE teachers to explore new trends in the field and share best practices. I believe that attending this event will allow both myself and the students that accompany me to grow both personally and professionally, develop leadership skills, and gain new perspectives.

For your convenience, I have included a breakdown of how much it will cost for me and my students to attend.

[*Remove if parents covering costs.]

- Registration Fee: [\$195 per member or \$125 per adviser/chaperone x # of attendees]
- Airfare/Travel: [INSERT COST]
- Hotel: [INSERT COST]
- Additional Expenses: [INSERT COSTS]
- Approximate Total: [CALCULATE TOTAL COST]

To ensure this experience benefits the entire chapter, the students in attendance will deliver a presentation for those unable to attend sharing what they learned. They will also create an action plan that incorporates the tools, resources, and strategies they have discovered so the chapter can start using them right away.

To learn more about the conference, visit <https://www.fbla.org/nlc/>

Thank you for taking the time to review this request, and I look forward to speaking with you about this opportunity. Please feel free to reach out to me with any questions or concerns I can address.

Sincerely,
